Caro Jordi,

ho ricevuto da Essex l'invito per Guadagnini, e te ne sono molto grato.

Fammi sapere se l'idea di organizzare un incontro del nostro Comitato IPSA a Barcellona a fine anno, fa passi avanti.

Con molta cordialità.

Caro Jordi,

grazie per la tua lettera del 15 aprile.

Vedi le mie preferenze dall'acclusa copia della mia risposta a Thorburn. Ma se il Convegno di Barcellona non si può fare prima, pazienza.

Regole precise per gli inviti non ce ne sono, ma puoi certamente invitare come relatore uno o più studiosi, come Laurier non membri del Comitato.

Il Congresso di Firenze è stato buono, nell'indicare la giusta collocazione del PCI (dentro la sinistra europea). Ma i progressi sono lenti e insufficienti.

Un abbraccio e cari saluti a te e famiglia.

Tuo Luigi.

Dear Professor Solé Tura, Dear Friend,

I should like to approach you with the following proposal: the Director of the International Review of Sociology invited me to take over a special issue of this journal as guest-editor. He was generous to leave me free hand in picking as well the general topic as the authors and also the themes of their contributions, limiting only the number of pages to 150 of the whole issue.

So, I reached the conclusion that it would make sense to organize the articles around an axis I am formulating thus: "Pluralism a paradigm of social sciences ?" Within this framework I should like to include your article :"Spanish regionalism : some vistas on a rediscovered pluralism".

Pressed by time I should appreciate a prompt answer. Hoping it will be positive I'll suggest a reasonable date.

With kindest regards,

cordially yours

Stanisław Ehrlich

Dear Professor Solé- Tura,

Thank you so much for your positive answer to my proposal. Of course, you can remake or refresh your Bielefeld-paper, - did it not trigger-of my invitation? Please, let me know as soon as possible the definite title of your contribution, because I have to report to"my master" in Rome.Formalities: 15 pages is the limit and the deadline "for delivery" is July 31.1986.

Would you be interested to have at your conference prof.Henry Drucker,Dept. of Pol.Science, University of Edinburgh, a bright chap, specialist in Scottish devolution and nationalism.I have in reserve for you an eminent American-Israeli specialist in federalism and a young Sudanese scholar, who wrote a thesis on the military rule there and is dreaming to democratize his country.

Dear Professor Solé-Tura,

Many thanks for your kind invitation. I'll send you the outline of my paper with a slight delay (forgive it). I just received from prof. Mino Vianello (I.R. of S., Rome) a positive answer concerning our special issue. It is scheduled to appear in 1988. I do hope it would be possible to organize on the basis of this issue a round table in Warsaw (1988 or 1989).

Dear Professor Sole Tura:

I take the liberty of writing in the following matter:

A few weeks ago I received a memo from our leader, Hugh Thornburn, informing us about the conference on "Pluralism, Regionalism and Nationalism", organized by you and to be held in Barcelona at the end of June 1987.

I would be greatly interested in participating in the above conference, either presenting a paper or serving as a discussant-commentator. It is quite possible that I am too late and that you no longer need any participants--but in any event, I would appreciate having information about the conference, including a tentative program. This would give me an idea about the topics to be discussed at the meeting and help me to choose a paper topic for myself, assuming, of course, that I am able to participate in your conference.

I look forward to hearing from you.

Sincerely,

Monsieur et cher Collègue,

Notre Président et Ami, Monsieur H.G.THORBURN m'a informé récemment que vous avez eu le grand mérite d'organiser à Barcelone, au mois de Juin prochain, une réunion de notre Comité de Recherche sur le thème :"Pluralism, Régionalism and Nationalism", thème que j'approuve entièrement et au sujet duquel je me propose de présenter un Rapport.

Je vous serais, en conséquence, reconnaisant de bien vouloir me faire connaître en temps utile le détail de cette réunion.

Il me serait utile, toutefois, pour faciliter mon déplacement, d'obtenir de votre part une invitation adressée directement à Monsieur le Secrétaire Perpétuel de l'Académie d'Athènes (28, Av. El.Venizelou, 10679, Athènes) afin que l'Académie soit représentée à cette réunion par le Professeur Georges VLACHOS. Vu la difficile situation financière que traverse la Grèce et le gonflement consécutif des formalités bureaucratiques, il serait utile que cette invitation parvienne à l'Académie plusieurs mois à l'avance.

Veuillez agréer, Monsieur et cher Collègue, avec mes remerciements anticipés, l'assurance de mes sentiments distingués et les meilleurs.

Also, I would like to have any advice you can give me about the possibility of a meeting in Yugoslavia about which we spoke earlier. We've already agreed on the topic. The question is the timing. Could you please send me or Professor Soletura an indication of the situation in that regard.

My dear Adolf,

It has been a great pleasure to hear from you again. I told Prof. Thorburn to invite you to our meeting and I'm very glad to learn that you can come to Barcelona and to present a paper. I think that the topic you suggest is a very good one and I'm including it by now in the list of paper-givers.

The meeting will be held in Barcelona from June 25th to 28th. The meeting will begin on Thursday 25th afternoon and it will go on throughout Friday 26th and Saturday 27th in morning and afternoon working sessions.

All sessions will be held at Fundació Bofill, c/ Proveça 324, 08037-Barcelona. Tel. 258 87 00.

The aim is to provide some concrete views on the relationship of nationalisms and the effective working on pluralism, specially as regards the pluralist systems of western developed countries.

We will provide hotel accomodation (bed, breakfast and lunch) from Thursday 25th to Sunday 28th.

The scheduled list of paper-givers and participants is already closed, but I look forward to a new list schedule, as just now I begin to receive confirmations.

If you could, I should like to have an outline (about 200 words) as soon as possible, and a draft copy before June 1st.

We have serious difficulties to cover travel expenses. But if it is very difficult for you to get the travel expenses to be covered by your University, please let me know it as soon as possible, to look for some kind of extra help.

I hope that you'll be whit us in Barcelona by June.

Dear Professor Solé Tura

Many thanks for your letter and kind invitation for the following meeting of our Research Committee which shell take place in Barcelona this june. I'll attend this session with the great pleasure.

In my letter of November 14, 1986 to Prof. Thoburn I've suggested to prepare for our meeting the paper on the problems of regionalism in unitary state - Polish case. But, as far as I see now, it does not fit well to the general line of the june conference which is to be focused on the pluralist systems of western developed

countries. That is why, I give up to undertake my previous proposal and I leave to you to decide, if there is any sense and need to present such a paper. I would be very obliged, if you could give me some suggestions concerning my case.

Sincerely yours

Dear Professor Winczoreck,

Thank you for your letter of January 21. I'm very pleased to know that you will come to Barcelona.

Concerning the topic at your paper I think that my general outline of the aim of our meeting can create some misunderstanding, as it seems to suggest that the meeting will be focused exclusively in the problems of western industrial countries. I apologize for it. The outline wants only to underline the main emphasis, but not to exclude other topics related to the main subject of the meeting.

So I want to make clear that the topic that you suggest is mostly important for the meeting and it will be highly welcomed.

Hoping to hear from you soon.

Dear Dr. Sole Tura:

Dr. Philip MAWHOOD of the University of Birmingham, England, a friend and colleague of mine for some 20 years, encouraged my writing to you. Being greatly interested in the subject of socio-political pluralism and the work of your IPSA Research Committee, I would like to ask your permission to attend, as an observer and, perhaps, a participant in discussions, the Committee's forthcoming meeting in Barcelona June 25-28, 1987 (at my own expense). Circumstances permitting, I may apply for formal membership in the Research Committee at a later date. To shortly introduce myself:

My retirement as Professor Emeritus from the University of Pittsburgh became effective in 1985 (my present age is 71). For the 15 years preceeding that date, I was a member of the faculty of the University's Graduate School of Public and International Affairs where I was given tenure. The graduate courses and seminars I taught as well as my field research and publications have all been in the general field of Comparative Public Policies and Administration, with special emphasis given to the subfields of Regional and Local Government, Intergovernmental Relations, Organization Theory and Development Administration. To all my efforts, I endeavored to apply a cross-national and cross-cultural perspective. Prior to 1965 when I joined the University of Pittsburgh as a Research Associate, I held various administrative positions in Asia, Europe and Africa either with the U.S. Department of State (Economic Aid Program) or with the United Nations.

As far as IPSA is concerned, I am a regular (paid-up) individual member since 1972. From 1974 to 1979 I served as vice-chairman and member of the Board of the IPSA Research Committee on the Comparative Study of Local Politics and Government whose Chairman was Jerzy J. Wiatr.

(continued)

The above will explain my interest in the research subjects to which your Committee devotes its time. If you agree to my coming to the Barcelona meeting, I would greatly appreciate your sending me, if possible, further details concerning the meeting's agenda such as themes of papers to be presented and discussions to be held. Though I intend to cover my own expenses, I would be grateful if you could arrange for a single-room booking at the same place as you do for the other visiting participants (e.g., Dr. Mawhood). I would plan to arrive in the evening of Wednesday, June 24.

Looking forward to hearing from you, I remain,

Thank you for your letter of February 13 th.

The meeting will begin on Thursday 25th afternoon and it will go on throughout Friday 26th and Saturday 27 in morning and afternoon working sessions.

The scheduled list of participants and paper-givers is already closed, but I look forward to a new list schedule,as I begin to receive confirmations. So, by now is quite difficult to know exactly the number of participants. Anyway, I think that there will be no problem at all for you to participate in the meeting as an observer. If you can prepare a paper, I'll look forward to include in the paper-givers list, as soon as there would be any vacancy.

As a rule, we provide accomodation (bed,breakfast and lunch) to sheduled participants,but not to observers,from Thursday 25th to Sunday 28th, but we are not able to secure funds for travel expenses. Please excuse the delay in answering your letter of 5 December 1986. I would like to accept with pleasure your invitation as a paper giver at the 1987 committee meeting in Barcelona, June 25-28.

Enclosed you will find an abstract of my proposed paper. I will write its final version in April and May, so please feel free to comment on the abstract, should you have particular preferences, into which direction it should go. In my conception it will be a comparative paper focussing on the regionalist/nationalist experience in both Europe and North America.

Muy estimado profesor Solé Tura:

Estoy encantado de hacer recibido una recomendación para escribir a Ud. (de Hugh Thorburn en Queen's University). He vivido unos años en Mallorca donde tengo familia, y hace muchos años tambien estudié Español en Barcelona. Pero ahora mi Español no es suficiente para continuar.....

I would be extremely interested in presenting a paper at your upcoming IPSA - workshop on regionalism. I could either present a general paper on the conceptualization of regionalism in the context of advanced industrial societies, or a specific one on the problems of regionalism in Canada.

For your information I am enclosing a c.v. and an article which will appear in the next issue (April or June) of Comparative Politics.

I have always taken a special interest in the development of Spanish regionalism and would very much welcome an opportunity to become up-to-date again. Incidentially, my last contact a couple years ago was with Antoni Ferrer who I believe is at your university. I met him at the ECPR - workshop on federalism in Salzburg.

De todos modos me gustaría mucho escuchar de Ud.

Querido Marcos,

Hace tiempo que quería escribirte,pero últimanente he estado casi encerrado para terminar la edición catalana de mi último libro sobre las autonomías en España y todo se me ha retrasado. Tengo, naturalmente, muchas cosas que comentar contigo porque el mundo va como va y todos nos interrogamos sobre los problemas viejos y nuevos. Pero el motivo de la presente es muy concreto.

Resulta que el Research Committee on Socio-Political Pluralism de la IPSA, del que yo formo parte, celebrará su reunión anual de 1987 en Barcelona. El tema general es la relación entre el pluralismo y las autonomías regionales o federales, especialmente -- pero no únicamente -- en lo que se refiere a los paises desarrollados. El convenor de la reunión seré yo mismo y aunque el encuentro se reserva en principio a los miembros permanentes del Research Committee tengo libertad para invitar a quién yo juzgue conveniente.

La reunión se celebrará en Barcelona los días 25, 26 y 27 de junio ym constará de varias sesiones de mañana y tarde,con exposición de papers y discusión de los mismos. Todavía no tengo la lista completa de los posibles paper-givers y por eso la considero abierta.

Con esta carta te invito formalmente a participar en la reunión, como ponente o como simple discussant, según tus posibilidades o tus preferencias. No sé cómo estás de tiempo, pero me gustaría que pudieses encontrar un hueco para desplazarte a Barcelona.

El problema serio es el económico.Con los fondos de qué disponemos, sólo podemos asegurar la estancia en Barcelona(hotel y comidas) durante estos tres dias,pero no podemos asumir los gastos de viaje. Me doy cuenta de que esto puede ser un gran obstáculo para ti y por esto re ruego que me contestes lo antes posible precisando:

1. Si la reunión te interesa.
2. Si la fecha te conviene.
3. Si tienes la posibilidad de que te cubran los gastos de viaje.
4. Si sólo puedes cubrir una parte de estos gastos de viaje.

Te digo esto y te subrayo la urgencia de la respuesta porque si sólo pudieses obtener una financiación parcial intentaría hacer algunas gestiones para ayudarte con carácter excepcional.

No me extiendo más.Espero tu respuesta. Si es positiva, tendré un gran placer de verte en Barcelona. Si no lo es, lo sentiré y tendremos que seguir charlando por carta.

Un fuerte abrazo.

Querido profesor y amigo,

Por la presente tengo el gusto de invitarle a participar en la reunión anual del Research Committee on Socio-Political Pluralism de la International Political Science Association (IPSA), que se celebrará en Barcelona los días 25 a 27 del próximo mes de junio.

El tema de la reunión será "Pluralismo, Regionalismo y Nacionalismo", analizado desde una perspectiva amplia y multidisciplinar. Mi deseo sería que usted pudiese contribuir con un paper desde una perspectiva latinoamericana,pero si esto no fuese posible por la premura de tiempo podría participar como discussant.

La reunión se celebrará en la sede de la Fundació Bofill, c/Provença, 324, Barcelona,08037.Se iniciará el día 25 de junio por la tarde y se desarrollará durante los días 26 y 27 en sesiones de mañana y tarde.

En estos momentos todavía no podemos establecer la lista definitiva de los paper-givers,pero calculamos que el número de éstos será de doce a quince y que el número total de participantes sobrepasará la veintena. Estimamos poder precisar todos los detalles en el curso del mes de mayo.

La organización corre a cargo de los gastos de estancia -- hotel y comidas-- de los participantes durante los días de duración de la reunión pero desgraciadamente no está en condiciones de cubrir los gastos de viaje, que corren a cargo de los propios participantes.

Sería muy grato para nosotros poder contar con la presencia de un profesor e investigador tan eminente como usted. Además,si pudiese desplazarse a Barcelona sería usted el único participante latinoamericano, lo cual es también un factor importante para insistir en su presencia.

Esperando una respuesta positiva. reciba usted un cordial saludo

Querido Jordi:

Me alegra recibir tu invitación a participar en la reunión anual del Research Committee on Socio-Political Pluralism de la IPSA, con fecha 25 al 27 de junio de 1987. Estoy de acuerdo en que se me asegure los gastos de estancia en Barcelona durante los 3 días. Desde ya comienzo gestiones para que se me provean por estos lados los gastos de viaje.

Dado el tiempo relativamente corto que falta para la reunión, estoy en duda en cuanto a la modalidad de participación. Desde ya acepto ser discussant. Existe además la posibilidad de que lleve un paper sobre las implicaciones del estatismo y el presidencialismo en América Latina, como restricciones al pluralismo y las autonomías regionales y federales.

Como te digo en el cable que te envío también hoy, necesito me envíes una carta formal con la invitación bien especificada.

De todos modos, quede claro mi aceptación y mi fuerte deseo de participar. También, mis deseos de una larga charla o charlas contigo. Realmente cada vez tenemos más de que hablar. Por aquí, además de los otros problemas políticos de México y América Latina que conoces, se ha agregado el proceso de reforma universitaria, y el pedido que se me ha hecho de participar intensamente, sobre todo en cuestiones relativas al diagnóstico de la crisis de la Universidad, la filosofía de la misma, y las propuestas de reorientación y restructuración. Es fascinante y agobiante al mismo tiempo.

Espero a la mayor brevedad tu invitación formal (recuerda que el correo anda muy lento), y más información sobre la reunión, así como tu opinión sobre mi forma de participación (discussant o paper).

Un fuerte abrazo de tu siempre amigo

Querido amigo

gracias por tu carta de 12 de marzo y la invitación que contiene.

Con mucho gusto participaré en la reunión del Committee que anuncias. Trataré, además, de que sea como paper-giver ya que, por esas fechas, habré dejado de ser Vicerrector y tendré más tiempo libre.

Cuando me comuniques detalles del hotel y otras intendencias, seguramente podré dar señales de vida sobre el paper. Gracias y

un abbraccio Ros.

Dear Professor Solé Tura:

Thank you very much for your letter of March 10, including your invitation to participate in the Committee's meeting which you are organizing.

I do hope that I shall be able to attend, not least because I would be glad to meet you again. Of course, I will let you know as soon as I'm certain.

In considering whether to ask you to be scheduled as a discussant, I have been wondering if you might let me have a list of the subjects to be examined by the paper-givers, in addition to the latter's names which you already enclosed. Such a list would certainly help in deciding if and where it might be possible for me to contribute a prepared statement.

With my best regards,

Sincerely,

Dear Professor Solé Tura:

I am writing to inform you that my wife and I shall very probably be arriving at Barcelona only by late Thursday (June 25) evening.

Our University Council is meeting on Wednesday afternoon to elect the university's vice presidents. As the election is controversial, and because I am the speaker of one of the Council's three professorial groups, I must attend the meeting.

I regret very much to miss our conference's first session, but I am sure that you will understand my position. Perhaps, if necessary, you might be kind enough to inform the hotel about our late arrival.

Looking forward to meeting you again,

Sincerely,

Cher Ami,

J'ai bien reçu votre invitation à participer à la Table Ronde que vous organisez du 25 au 28 juin 1987. Je suis en pleine session d'examens à cette époque, mais j'ai réussi à libérer les quelques jours nécessaires pour me joindre à vous.

Je compte arriver à Barcelone le mercredi 24 et repartir le dimanche 28. Mon épouse m'accompagnera; bien entendu, je prendrai en charge les frais supplémentaires (logement, repas) occasionnés par sa présence. Puis-je vous demander de tenir compte de sa présence pour les réservations?

Je n'aurai pas l'occasion de faire un rapport pour la Table Ronde, mais je serai très heureux de pouvoir jouer le rôle de "discussant", par exemple pour le rapport de Seiler, ou ceux de Bibic ou d'Ehrlich, ou de tout autre à votre convenance. J'aimerais néanmoins prendre connaissance du rapport choisi avant mon arrivée à Barcelone.

Je me réjouis de l'occasion que vous donnez ainsi au Comité de poursuivre le travail régulier qu'il a entrepris il y a plus de 10 ans. Pensez-vous faire publier les actes de la Table Ronde? Nous avons déjà plusieurs publications à notre actif; ce serait une prolongation heureuse.

En attendant le plaisir de vous revoir à Barcelone, je vous prie de croire, cher Ami, à l'expression de mes meilleurs sentiments.

Querido amigo:

Con bastante retraso (me llega tu carta vía Santiago coincidiendo con que yo estaba fuera de España) he recibido tu invitación a la reunión del Research Committee de la IPSA. Dado el tema de la reunión, me interesa mucho la asistencia y te agradezco tu amabilidad en comunicármelo.

No me encuentro en condiciones de preparar una comunicación para esas fechas, así que asistiré en condición de "discussant" ya que no está prevista la condición de "oyente" que me vendría mucho mejor.

Recibe un afectuoso saludo:

Dear Dr. Solé Tura:

Thank you very much for your nice letter of February 26 in which you permit me to participate in the meeting of the IPSA Research Committee on Pluralism scheduled for June 25 to 28 in Barcelona. I greatly appreciated the information you communicated. While I would not wish to be included in the paper-givers' list for this June-meeting, I am looking forward to meeting you and the other participants and to learning from the group.

I also appreciate your efforts to secure for me a single-room booking (at my expense) at the same place as for the other participants. I am scheduled to depart from Pittsburgh for various places in Europe on May 28. Since it will be difficult to reach me while I am traveling, would it be possible for you to send me the address where my room is booked so that the information reaches me in Pittsburgh before May 28?

I shall be arriving in Barcelona on Wednesday, June 24 by the RENFE train from Geneva which arrives in Barcelona-Sants around 21:30 hours. In order to reach my accomodations by taxi most conveniently, could you also please tell me whether I should remain on the train until it reaches Sants-station, the terminus, or leave the train at one of the earlier station-stops in Barcelona? If, by the time you are able to respond, your new list of confirmed papers with their titles should be available, I would be grateful if you could include a copy.

Being sorry for causing so much trouble and thanking you in advance, I remain,

Sincerely yours,

Dear Jordi Sole Tura:

On March 17, I mailed you a letter together with a synopsis of the paper I would like to present at your conference in June. To this day I have not heard from you and I can only hope that you did receive the synopsis of the paper and that it meets with your approval.

Even though I have not heard from you, I assume that the conference is still on. If that is the case, I would appreciate receiving a confirmation. I would like to make plane reservations soon to take advantage of cheaper fares, and a confirmation would be helpful.

I have one change in plans. Initially, I expected to come to Barcelona with a friend and her child, and that is why I asked you and Mr. Porta of the Fundacio Bonfil to reserve a hotel room for three persons. It now turns out that I shall be coming alone and hence I am interested in a single room. I am sorry for the change in plans and I hope it will not inconvenience you too much.

I look forward to hearing from you.

Sincerely,

Andrzej Korbonski

Dear Professor Solé Tura

Hugh Thorburn sent me copies of your recent correspondence with him, and I was very pleased to know that you can hold a meeting of the Research Committee in Spain around June 1987.

When you have formed some ideas about the subject focus, I should be glad to see whether I could contribute a useful paper. The choice is fairly broad, but would have to fall in the area of pluralism in the Third World: government and administration, or local government and administration (including central-local relations and the planning and implementation of development programmes).

Meanwhile, a very hearty welcome to the European Community!

Yours sincerely

Querido Jordi,

Aunque hablaremos dentro de unos días para concretar la fecha de la lectura de la tesis de San Sebastián, en la que con tu proverbial amabilidad has aceptado formar parte del Tribunal, te escribo sobre el tema de la reunión del Research Committee del IPSA que se celebrará en Barcelona a finales de junio. Espero que me creas si te digo que he intentado hacer todas las combinaciones posibles para poder asistir, pero me resulta imposible. Aunque me imagino que no muy diferente del tuyo, tengo un mes de junio de locos: además de los exámenes, debo asistir a tres oposiciones (una en Barcelona, que desgraciadamente no he podido hacer coincidir con la reunión del IPSA, y dos en Málaga), una reunión, dos conferencias, la tesis de San Sebastián y otra aquí en Cádiz, de la que también soy director. Precisamente esa tesis no he tenido más remedio que pensar en su celebración en los mismos días que los de la reunión de Barcelona, ya que voy a salir fuera de España en la primera semana de julio. Siento no poder aceptar tu amable invitación, pero he debido sacrificar algo de ese programa de viajes, y lo he hecho de la reunión de Barcelona en beneficio de la tesis de mi colaborador en el Departamento.

Con la esperanza anticipada de tu comprensión, recibe un fuerte abrazo,

José Ramón

Dear Dr. Sole Tura:

Enclosed you will find five copies of my paper. You may distribute these among the other participants from the University of Barcelona. I have also sent copies to the participants elsewhere (Hugh Thorburn provided me with addresses).

Since I had to book a charter flight with limited flying dates, I shall already arrive in Barcelona on the 23rd of June, and I will stay until the 29th. Could you please extend my reservations at the Hotel Astoria? I shall be in contact with you as soon as I arrive in Barcelona.

Looking forward to meeting you
I remain in the meantime
With best regards,

Thomas O. Hüglin.

Dear Professor Solé Tura

IPSA Conference on Pluralism, Regionalism, Nationalism

I hear from Professor Thorburn that we are to stay at the Astoria Hotel, and I can now give you my travel arrangements. Unfortunately there is no London-Barcelona flight which would deliver me on the 25th June in time for an afternoon session, so I have reserved my flight on the IB 619 on Wednesday the 24th, arriving at 1510.

Could you please ensure that I have a room from the 24th onwards? My departure flight is the IB 620 at 1705 on Sunday the 28th.

A copy of my paper will be posted to you in the next week or so. Do you wish me to bring or post any further copies? If so I shall be glad to know the number required.

Looking forward to our early meeting.

Yours sincerely

Philip Mawhood
