Dear Professor Solé Tura,

I am pleased to be able to tell you that at its recent meeting the Workshop Committee of the ECPR gave favourable consideration to your proposal for a workshop at the Joint Sessions to be held in Barcelona in 1985. The Workshop Committee will make its final decision about the programme when it meets in Salzburg in April. However, the Committee asked me to tell you that it expects to include your proposal in the final programme. I shall be writing to you again after the April meeting.

With best wishes.

Yours sincerely,

Probablement sigui ell el més qualificat pel ten workshop, i en concret sobre l'experiència de govern del PASOK; pots veure'n un article a LEVIATAN, nº 6, hivern 1981; té a més un llibret sobre les eleccions de la victòria del PASOK.

Altres possibilitats podrien ser col.legues amb qui aquest pot connectar-te, com CONSTANTINE TSOUCALAS (que no és tan completament "empíric" com el Mavro...) o bé N. DIAMANDOUROS. No tinc l'adreça d'aquests, però Mavrogordatos podria, eventualment, posar-t'hi en contacte.

Dear friend and colleague,

I would be extremely glad to be accepted in your workshop. I entend to present a paper on:"The limits and the possibilities of the socialists governments in Foreing Policy: a comparative study". My paper entends to describe how these socialists governments have been forced to accept strong limits in the application of their programs to the field of Foreing Policy and International Relations.

This topic will permit us to analyse the wide phenomenon of the breaking between the ideological programs of those parties when they use to be in the oposition and the practice of governing.

I hope you will accept this application.
See you in Barcelona.Thank you very much.
Best wishes

Cher Professeur Papadopoulos,

Je suis très heureux d'accepter votre proposition. En tant que directeur du workshop sur les gouvernements socialistes de l'Europe du Sud j'ai un grand interêt à assurer une comunication sur l'expérience grecque. N'ayant pas reçu, jusqu'à votre lettre, aucune proposition à ce sujet, j'ai même pris l'iniciative d'écrire au Professeur Georges Th. Mavrogordatos en lui démandant de présenter une comunication sur la Grèce. Je n'ai pas encore réçu sa réponse. Si celle-ci est afirmative, le seul problème qui peut se poser est celui d'éviter des contenus repétitifs. En tout cas j'accepte pleinement le sujet de votre communication et je vous tiendrai aux courant des developpements au sujet du Prof. Mavrogordatos s'il y a lieu.

Veuillez accepter, Monsieur Papadopoulos, l'expression de mes sentiments les meilleurs.

Monsieur le Professeur,

Je me permets de vous écrire pour vous demander si vous seriez intéressé à une contribution de ma part dans le cadre du Workshop de l'ECPR que vous dirigerez sur les gouvernements socialistes en Europe du Sud. Je suis assistant au Département de Science Politique de l'Université de Genève et prépare parallèlement une thèse sur l'évolution du discours politique du PASOK, de sa genèse à la conquête du pouvoir (1974-81). Ma contribution s'intitulerait Le PASOK au gouvernement: évaluation de sa contribution au système politique grec. Elle serait déduite de la partie conclusive de ma thèse et serait une analyse de la contribution du PASOK à travers la logique de son discours gouvernemental, mais aussi à travers ses autres outputs (décisions de politique gouvernementale) et enfin à travers le rapport qu'il établit entre parti-Etat-société civile (examiné sous l'angle du changement et de la permanence).

Dans l'attente d'une réponse de votre part je demeure à votre disposition pour vous fournir toute information complémentaire que vous jugeriez utile et vous prie d'agréer, Monsieur le Professeur, l'expression de ma considération distinguée.

Dear Mr. Solé Tura,

I herewith inform you of my intention to participate in your ECPR-workshop on "Socialist Governments in Southern Europe", 25-30 March in Barcelona.
I would like to present a paper on: 'The European Periphery: the combined process of industrialization and 'social-democratization' in Greece, Portugal and Spain'.
The heterogeneous character of the group of countries which are known as the so-called 'Newly Industrializing Countries' becomes clear when we look at the composition of this group of countries. To some extent this also applies to three NICs which are an integral part of the periphery of Western Europe: Greece, Portugal and Spain. Nevertheless there are some economic and socio-political resemblances between these countries, making a comparitive analysis highly interesting. Economically:

- Greece, Portugal and Spain find themselves in a relatively advanced stage of capitalist development;
- in the sixties and seventies they have increased their share in total world exports and imports and total industrial production;
- they have reduced the gap between them and the industrialized countries in relation to GNP per capita;
- and the share of industrial investment in total spending has not yet reached a level from which this share relatively declines.

On the socio-political level the developments in Greece, Portugal

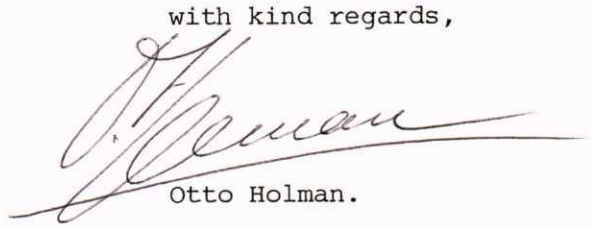

0210416-003-8310

and Spain in the seventies have been characterized by a process which has sometimes been called 'the crisis of the dictatorships', a socio-political movement in the direction of less authoritarian governments. Secondly, the installation of 'socialist-led' governments in these countries represents a legitimation of the parliamentary socialist alternative, the first after a long period of time. Thirdly, it is striking that these 'socialist' changes aren't characterized by spectacular social reforms, but rather by the moderate impact they have had on socio-economic policy ('the internalization of international austerity'). This last phenomenon could be explained both from internal power structures, the basis on which these governments have obtained their political legitimacy, and the restraints the capitalist world economy puts on these countries.

In the field of foreign policy the 'socialist' governments in Greece, Portugal and Spain are progressively orientated to Western Europe, with a formal membership of the Common Market as an ultimate purpose. Most explicitly, this development bears in it the combination of the two processes above mentioned, the industrialization and 'social-democratization'. A comparative analysis of the political and socio-economic developments in Greece, Portugal and Spain shall thus have to take the 'European Aspirations' within these countries as a main, although perhaps implicit, point of departure.

Expecting a formal acceptance of my application,

with kind regards,

Otto Holman.

Could you let me have as soon as possible please, the list of participants in your workshop, together with their institutional addresses and the titles of the papers they will be giving. Participants from institutions which are not members of the ECPR should be marked with an asterisk. Non-members are restricted to a maximum of two per workshop and are required to pay a conference fee of £35, (reduced to £30 if they pay before the Joint Sessions). It would be helpful if you could advise any non-member participants of the fee, but I will in any case write to them directly. Please also note that where a paper is co-authored, only one of the authors should be invited to attend the workshop.

Copies of the participants' lists should also be sent to:

Professor J.M. Vallès, Fundació Jaume Bofill, Provença, 324 principal, 08037 Barcelona, Spain

The participants themselves.

Could you also remind participants that they must send five copies of their paper to the ECPR at Essex. Papers should be typed on reasonable quality A4 paper. Those done on a word processor do not photocopy well unless the printer is of a high standard.

Estimat Jordi:

El Consell Europeu per a la Recerca Política m'anuncia un programa de la seva reunió a Barcelona al març del 85. Veig que hi duus una secció sobre governs socialistes a l'Europa Meridional. En Jordi Capo et va donar el meu paper sobre el socialisme europeu meridional fa uns quants mesos, i jo em sembla molt que et vaig enviar la separata de West European Politics on el vaig publicar. (Ara ha aparegut en un llibre: G. Pridham, ed., The New Mediterranean Democracies Londres: Frank Kass, 1984). Com veus el tema té un cert interès per a mi.

T'agrairia molt que em tinguessis informat de la marxa de la teva secció. Potser podria presentar-hi el meu paper, posat al dia. És una visió crítica de conjunt de 4 governs (i partits) amb referència a França.

Espero que et vagis recuperant de l'esquena. Si tens un paper d'allò que va donar al meu seminari de Sitges, digues m'ho doncs molt fer un llibre i potser un número especial de revista. Una abraçada molt forta Salvador

Estimat Salvador,

He rebut la teva carta del 24 i et dic de seguida que em plauria moltíssim que poguessis participar en el workshop sobre els governs socialistes a l'Europa meridional, que jo dirigeixo.

Suposo que ets membre de l'ECPR i que no tindras problemes de financiació del viatge. Si no fos així, et prego que m' ho diguis i intentarem trobar una solució.

Crec que el teu paper, posat al dia, com tú dius, aniria molt bé. Fins ara no s'ha apuntat ningú que parli de França. A més, em plauria molt que vinguessis des del punt de vista estrictament personal.

Jo ja et poso a la llista des d'ara. Si hi hagués alguna variació, per part teva, et prego que m'ho comuniquis.

Per la meva part, no tinc possibilitats, de moment, d'escriure allò que vaig fer a Sitges. Potser més endavant.

Espero veure't aviat a Barcelona,. Una abraçada molt forta.

PS. L'esquena sembla que va bé. Espero que no es compliqui. Gràcies.

Dear Dr. Solé Tura,

Thank you for your letter of October 22, and please excuse my delay.

Since we are closely working together, Dr. Christos Lyrintzis and myself, on a couple of projects, it took us some time to decide which would be the best division of labor in Barcelona.

Estimado Profesor,

Le escribo con objeto de confirmar mi inscripción, realizada por télefono, en el "workshop" que dirigira en Barcelona el mes de marzo del año próximo.

El tema que me gustaria tratar es el de la base electoral de los gobiernos socialistas del Sur de europa, comparada con la base electoral de algunos partidos social-democrátas del centro y del Norte de europa. Ello permitiria comprobar algunas hipótesis, tales como el caracter "catch-all" de los partidos socialistas del Sur de europa o su supuesta especificidad con relación a los demás partidos europeos. Los países seleccionados, y por consiguiente los partidos incluidos en el estudio, son los cinco de europa del Sur (con excepción de Portugal, por ausencia de datos) y el Reino-Unido, Alemania, los Países Bajos y Dinamarca.

./.

Como es lógico, le agradeceria cualquier sugerencia referente al tratamiento del tema.

Aprovechando la occasión para desearle un prospero 1985, le saluda atentamente

Caro Professor Pasquino,

Grazie tante per la sua gentile lettera.Mi sembra molto adeguato il titolo che mi propone per il suo paper e l'unica cosa che ora mi spiace é averle provocato qualche distorsione nel suo programma iniziale poiché finalmente il Prof.Graziano mi ha comunicato cha non potrá presentare il paper sul PSI che mi aveva annunciato.

Come avrá constatato per l'ennunciato generale del workshop la mia intenzione é arrivare al maggior livello possibile di generalizzazione concettuale,partendo dal paragone di esperienze nazionali.Credo che il socialismo nell'Europa centrale ed in Scandinavia é uno degli obiettivi del workshop é tentare di verificare se questa ipotesi é reale e fino a che punto si possomo includere in uno stesso concetto politico realtá cosí diverse.

Voglio dirle finalmente che in assenza del Prof.Graziano lei é l'unico partecipante italiano iscritto al workshop.

Attendo sue notizie.Lei giá sa che,secondo le norme dell'ECPR,la data límite per la circolazione dei papers é l'1 marzo.

Gradisco molto l'interesse che mostra per partecipare nel Seminario, poiché conosco il notevole valore del suo lavoro da quando apparse la traduzione spagnola della sua opera sulla modernizazione e lo sviluppo politico.

Dear Professor Solé Tura,

I would very much like to present a paper on the Italian Socialist Party to your ECPR workshop on "Socialist Governments in Southern Europe". I have done a lot of work on the PSI, published both in Italian and in English (in Italy at the Polls, 1977 and 1981 publications). Most recently I have presented a paper at the annual meeting of the American Political Science Association. I would be glad to send you some of those materials, if you deem it desirable and useful.

If you accept my application, as I hope, I would appreciate receiving from you some guidelines. Being the Italian case somewhat special, those guidelines might be useful for a comparative approach.

Thanking you very much for your attention and looking forward to hearing from you soon, I remain

Sincerely yours,

Gianfranco Pasquino

Caro Professor Solé Tura,

grazie della sua lettera del 18 gennaio che ho ricevuto pochissimi giorni fa. Purtroppo, non sono più in grado di presentare il mio paper sui partiti socialisti, poiché non é possibile partecipare a più di un workshop e mi sono impegnato per quello sulla democrazia. Naturalmente, mi dispiace molto dell'inconveniente. Stavo lavorando sia al paper comparato che a quello specifico sull'Italia (peccato che Graziano abbia abbandonato il campo così tardi). Forse un mio collaboratore potrebbe presentare il nostro paper, se non sarà troppo tardi dal punto di vista burocratico. Al più presto le farò sapere qualcosa.

Ad ogni modo, poiché stiamo lavorando sull'argomento, intendiamo fornire il nostro contributo nel caso il materiale presentato al suo workshop venisse pubblicato in forma di libro.

Con la promessa di sentirci presto e con molti cordiali saluti

Gianfranco Pasquino

To: Workshop Directors
From: Valerie Stewart

Please find enclosed the general programme for the week of the Joint Sessions. You will see, that following the usual practice, there will be an informal dinner on the first night of the Sessions - Monday 25th. March at 21.00 for Workshop Directors to meet the ECPR Executive Committee and the local organisers. I am afraid that you will be expected to pay for your own meal, but this should not be expensive, and may in fact be less than the 2,500 pts. indicated.

As you see, workshops will meet from 10.00 until 13.00 and from 15.00 until 18.00, but please note that you should finish earlier on Wednesday 27th. to enable participants to attend the Stein Rokkan lecture at 17.30. You will also need to leave the workshop session on Friday afternoon about twenty minutes early to attend the meeting with the Workshop Committee to give a brief report and to discuss any problems which may have arisen.

Workshop participants who have booked their accommodation through CHAT, the agency in Barcelona, will be receiving a similar programme when their hotel reservations are confirmed. As some participants will however have made their own accommodation arrangements, I would be grateful if you could pass on all relevant information to all the participants in your workshop.

Could you also remind your participants that they must send five copies of their paper to the Central Services, before the Joint Sessions.

Lastly, may I also ask you to appoint a 'secretary' to summarise your discussions in the workshops, as you know, reports on the workshops are published in the June issue of the News Circular.

Many thanks.

Caro Prof. Pasquino,

Ho ricevuto la sua lettera dell' 8 febbraio. Mi spiace molto che Lei non possa partecipare nel mio workshop per ragioni amministrative.

Poiché non desidero perdere il suo contributo,ho consultato con gli organizzatori delle "Joint Sessions" e sono d'accordo nell'ammetere una sostituzione in questo caso concreto. Li prego, di conseguenza, che mi fornisce al piú presto possibile il nome del suo collaboratore per includerlo nella lista dei partecipanti.Insisto nella necessaria rapidità della risposta poiché al grado in cui ci troviamo un ritardo potrebbe difficoltare molto le cose.

Naturalmente, conto su di Lei per la futura pubblicazione del lavori del workshop.

Spero salutarla personalmente a Barcellona. Saluti cordiali

Caro Professor Solé,

la ringrazio della considerazione. Purtroppo, il mio ca-autore si é dileguato. Ho comunque scritto un pezzo in inglese sul Partito socialista italiano che le invio in busta a parte e che lei potrà fare distribuire agli altri partecipanti al workshop se lo ritiene opportuno. Non credo sia la versione definitiva. Infatti, se l'accento é sul modo di governare del PSI, allora avrei moltealtre cose da aggiungere e da dire in maniera diversa.

Comunque, ci vedremo a Barcellona. Nel frattempo, se é possibile, mi faccia avere i papers degli altri partecipanti.

Con molti ringraziamenti e cordiali saluti

Gianfranco Pasquino

P.S. Naturalmente, per un'eventuale pubblicazione in volume sono disposto a riscrivere, con criteri appropriati, il mio paper. Quanto al paper comparato, ci sto lavorando.

To all participants at the ECPR Workshop on

"Socialist Governments in Southern Europe".

Director: Prof. JORDI SOLÉ TURA, Universidad de Barcelona.

Barcelona, 25-30 March, 1985.

Dear Colleagues,

It is time for me to get in touch with you in order to provide the basic information about the coming Workshop in Barcelona.

As you know, a copy of your paper must be sent before the 1 st. March to:

- all participants at the Workshop
- Five copies to the ECPR Central Services: University of Essex, Wivenhoe Park, Colchester CO4 3SQ, Essex, England.
- the Director of the Joint Sessions, Dr. Josep M. Vallès, Fundació Jaume Bofill, Provença 324, 08037 Barcelona, Spain.

Each participant is responsible for the duplication of his paper and its circulation. Expenses will not be reimbursed to participants until papers have been received by the ECPR Central Services.

Participants are expected to endeavour to raise finance for both travel and accomodation from sources in their own country. In the event that they are unable to raise such finance, the ECPR may make a contribution towards the expenses of participants from ECPR member institutions. (no more than two from one institution attending the same Workshop). Requests and queries relating to finance should be adressed directly to the Central Services of the ECPR. Any contributions made by the ECPR will in no case constitute more than half of the travel costs calculated on the basis of:

- 2nd. class train fare for participants located less than 1500 kms. from the location of the Joint Sessions or petrol costs if travelling by car;
- economy air fare for participants located at 1500 kms. or more from the host institution. Participants are expected to take advantage of cheap flights, such as charter flights and

PEX bookings.

A per diem grant towards the cost of accomodation may also be made, for a maximum of six nights.

Any contribution from the ECPR will be sent after the Joint Sessions, and on condition of the effective participation of member of the Workshop. Participants wishing to receive an advance should ask their home institution.

The ECPR is unable to make any financial contribution towards the expenses on non-ECPR participants.

All non-ECPR participants will be required to pay a fee of £ 40.

According to economic possibilities, a contribution towards the expenses of non-ECPR members may be eventually considered a posteriori.

Accomodation booking forms, offering a range of accomodation at varying prices will be sent to all participants by the local organizers. These forms should be returned to organizers in Barcelona and not to th ECPR Central Services.

Workshops will meet from 10.00 on Tuesday, 26th.March until 13.00 on Saturday 30th. Participants should arrive and register on Monday 25th.March.

Finally, please note that the definitive title of Prof. Salvador GINER paper will be: "SOCIALISM IN TRANSITION: THE CASE OF SOUTHERN EUROPE".

Please note, also, that the definitive title of Prof. Ioannis PAPADOPOULOS will be: "THE FIRST SOCIALIST GOVERNMENT IN THE HISTORY OF GREECE: THE CONDITIONS FOR PASOK'S ACCESS TO POWER".

If you have any remark or any question, please contact me.

With warm regards

Dear Valerie,

Thank you for your letter of 14 October 1985 and the enclosed Statement of Account, which will be checked by the respective colleagues. A somewhat more detailed report on the workshops by the respective workshop directors, Dr. Carlota Solé and Professor Jordi Sole Tura would be much appreciated. The short report by Dr. Solé in the ECPR News Circular No. 52 which you kindly sent me on 30 July 1985 is not sufficient for the Foundation's purposes. I remember with pleasure the report by Professor Mavrogordatos on his workshop at Salzburg.It is printed in the last Newsletter of the ECPR Southern European Politics Group.

Migration was the subject of a program area that was concluded in 1981. Projects on this subject cannot be considered under the Southward Enlargement Program. Thus there will not be any possibility for the Foundation to consider the proposed workshop in Gothenburg on this subject. I carefully read the whole program of the Joint Sessions, but could not find any workshop that might be considered. As you will know the Southward Enlargement Program exceptionnally covers symposia and workshops that do not take place in the Federal Republic of Germany.

I am sorry for discouraging you today as far as the Joint Sessions are concerned. But I suppose the Gothenburg Joint Sessions will be very interesting again. I do not yet know whether I myself or one of my colleagues will be able to attend it. If so, we would be glad to accept your kind offer and let you know accordingly.

With best wishes.

Yours sincerely,

Dr. Alfred Schmidt
